### Indore – Smart City with a Royal Past

A trading hub between the Deccan and Delhi in the 16th century, the city of Indore was discovered by Rao Nandlal Chaudhary in mid-1710. Rani Ahilya Bai Holkar, with her keen interest in education and planning, built this city.

Today, Indore, the Madhya Pradesh's largest city, offers a spectacle of majestic palaces co-existing with commercial centres. Apart from being considered as the state's commercial capital, it is also known for mouth watering culinary experience. It is in the first 20 cities to be developed as smart cities.

Indore, with its abundance, is strategically situated between the two holy Jyotirlinga's - Onkareshwar & Mahakaleshwar.
