01-02 Apr 2017

***Department of ENT & Head - Neck Surgery
Apollo Hospitals, Bangalore***

Venue: MSR Advanced Learning Centre, Bangalore

Dear Friends,

The Department of ENT & Head Neck Surgery of the Apollo Hospitals, Bengaluru is conducting a two day national **“Endoscopic Sinus And Anterior Skull Base Cadaveric Dissection Workshop–2017”** on **01- 02 Apr 2017**.

The issues sought to be addressed by this workshop are:

- *Theoretical aspects of Endoscopic Sinus Surgery and Endoscopic Anterior Skull Base Surgery as relevant to **ENT & Neurosurgery**.*
- *Improving the surgical skills by means of hands-on training in cadavers*

We have formulated an innovative format which combines formal Teaching sessions with supervised practical training. The faculty includes stalwarts in the Field of Endonasal Endoscopic Sinus and Skull Base Surgery.
