It gives us immense pleasure to invite you to the 11th Workshop on Phonosurgery.

It is the phenomenal response that we get each year that drives us to strive harder and we look forward to welcoming you in sharing the magic of Phonosurgery.

We have two world renowned Laryngologists - Dr. Clark Rosen from Pittsburgh and Dr. Blake Simpson from Texas who shall be our Key faculty. Most of us have read their path-breaking book on "Operative Techniques in Laryngology" and it will be an Academic treat to learn from the Masters themselves.
